To Whom it May Concern,

Enphase Energy enlisted the services of Fresh Commercial Cleaning in April 2012.

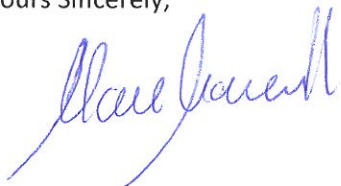

After having a negative experience with our last cleaning service, where I would be left to train and deal with their staff, my highest priority was to find a reliable cleaning service that were hands on with their staff and dealt with our concerns promptly.

I can confirm that the handover from our previous cleaning service to Fresh went very smoothly, Richard handled all the training of his staff and dealt with issues promptly when they arose. Within days Fresh had established a reliable service and we were getting great results.

With a recent extension to our offices we required additional cleaning services from Fresh, I found Richard very responsive and this request was actioned immediately and I had someone on site taking care of the new tasks straight away.

I have no hesitation in recommending Fresh Commercial Cleaning for any cleaning service you may require. If you require any further information please do not hesitate to contact me.

Yours Sincerely,

Maria Kendall
Office Manager
