## RE: Fresh Commercial Cleaning

To whom it may concern,

We engaged the services of Fresh Commercial cleaning to clean our office in March 2011. They provided a quote promptly and were able to begin work immediately.

Since then they have consistently provided cleaning of the highest quality. Their management team have always been easy to contact and pleasant to deal with. Any requests or additional requirements we have are always promptly dealt with.

We have enjoyed working with Fresh Commercial Cleaning and have no hesitation in recommending them to anyone looking to engage a cleaning company.

Yours Sincerely,

Nick Scott
