Dear Sir

Re: Cleaning Contract – Riverlands Chambers

1. I have been asked by Mr Hampl to give him a reference.
2. Fresh Commercial Cleaning has been cleaning our Barristers Chambers since about October 2011. The Chambers were established in an old and rather run down house in Christchurch.
3. The company cleans our Chambers once a week, normally on a Sunday but occasionally on a Saturday. As it happens, because I often work in the weekends, I am present when the cleaner arrives.
4. As is often the case there has been a turnover of staff from time to time. I should say that the standard of work is generally satisfactory and any minor niggles have been resolved quickly. The cleaners have coped with what are often untidy offices with a large amount of paper and files floating around.
5. The cleaners have always responded promptly to specific requests I have made, for example to leave my room alone, or to clean my room in a particular order so that I can keep on working.
6. I am happy to speak to you if you would like any further comments.

Yours faithfully

C M Ruane
