To Whom It May Concern

Fresh Commercial Cleaning have been the preferred cleaners of the STOP Trust since June 2011 and have cleaned both our Waimairi Road and Lincoln Road premises since that time.

Manager Richard Hampl and his team of cleaners quickly set a high standard of cleaning and this standard has been consistent with our expectations.

Whenever we have had to contact Richard with regard to access or to add extra cleaning responsibilities to our contract our requests have been answered promptly and enthusiastically and any new responsibilities incorporated quickly.

If there have been any issues on our sites, these have been dealt with promptly by Richard and the cleaner concerned.

We would be happy to recommend Fresh Commercial Cleaning to other businesses in the future.

Yours sincerely

Don Mortensen
Chief Executive Officer
STOP Trust
